■ - Service departs Colintraive, Kyles View at 1644

Passengers are asked to note that for through journeys which require a change of bus at Auchenbreck the connections are assured and the buses wait for each other. The same applies to connections made at Kilmodan school on schooldays.

The connections at Colintraive and Rhubodach where passengers have to make their own way across on the ferry are also assured and the connecting bus will not leave until the ferry connection has been made.
