Complaints Procedure

Complaints may be submitted via letter, email or telephone and should be made within 7 working days of the incident. A "Customer Complaint Form" may be requested by email or telephone and is also available for download at www.westcoastmotors.co.uk. In some cases we may request that complaints made via telephone are confirmed in writing.

An acknowledgement letter, confirming receipt of the complaint, will normally be issued within 7 working days and will explain what investigation needs to take place.

The Customer Services Manager will review all files in relation to the matter and issue a decision within 4 weeks of receipt of the complaint. Where this is not possible, an interim reply will be issued setting out the reasons for the delay in responding.

Where a Customer Complaint relates to a specific member of staff, we will investigate and take action as appropriate.

Where a mistake has been made an apology and explanation will be offered and every effort will be made to rectify the matter.

Where a complaint highlights that our processes or procedures are inadequate, every effort will be made to remedy the situation as quickly as possible.

If you are not satisfied with the response of the Customer Service Manager you may lodge an appeal with the Managing Director.
